

*** Patients' Feedback ***

The result, I got after the operation is really appreciable & much beyond my expectation. I found that the Institute has systems & procedures in place and working efficiently. I would like to express my gratitude to **Dr. Suhas Haldipurkar** & all staff members for the excellent service provided to me during my treatment.

Thank you very much for the personal attention you have extended to me.

I have conveyed my great experience to all my colleagues about the world class facilities available for **EYE CARE** at **LAXMI EYE INSTITUTE**.
